Hiddenbed ™

Maximising the space in your home

About us

Hiddenbed Ireland is a family-run company located in the west of Ireland, founded by Michael and Anne Lynskey.

We design and manufacture multifunctional furniture to make the most of the space in your home or office.

FAQS

Where are the Hiddenbeds made?

The hiddenbed is an Irish-made product manufactured in our workshop in Ballyhaunis, Co. Mayo.

How does the mechanism work?

The mechanism is patented and is very well designed. It has sealed gas pistons that effortlessly transform bed to desk. It has been tested to allow for 10,000 cycles without maintenance (approximately 30 years).

Do you provide installation?

Yes, our prices include supply and fit to any part of Ireland.

Is there a guarantee with the products?

Yes, all our Hiddenbeds come with a 5-year guarantee.

HOW CAN I FIND OUT MORE?

Get in touch with us today, we'd be happy to answer any questions you may have!
